

Office 365 Student Advantage

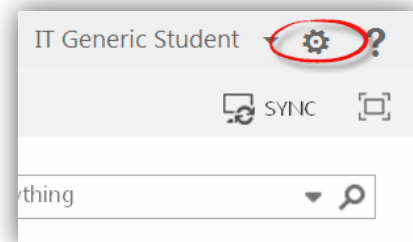

Student Advantage allows students to download Office programs on their home computer for free. Each student can download Office programs on up to 5 devices.

Student Advantage Benefits:

- Access to the full suite of Office Pro Plus including Word, Excel, PowerPoint and OneNote
- 5 downloads including both PC and Mac
- Latest version of Office for both PC and Mac ensuring students are current on their Office skill sets
- Ability to edit Office Documents through Office Mobile on iOS and Android

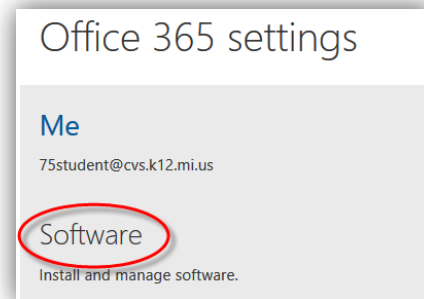

To Use Student Advantage:

1. Log into your Office 365 Account
2. Click on the gear at the top right corner of the screen

3. Choose "Office 365 Settings"

4. Choose "Software"

5. Choose your program and follow the Installer instructions to download Office programs to your home computer.
