

Road to World War II

# The Rise of Dictators

---

# Postwar Peace

- During the 1920s many people worked towards peace.
- The **Kellogg-Briand Pact** - Almost every independent nation signed promised to renounce war
- **League of Nations** was powerless to stop aggression.

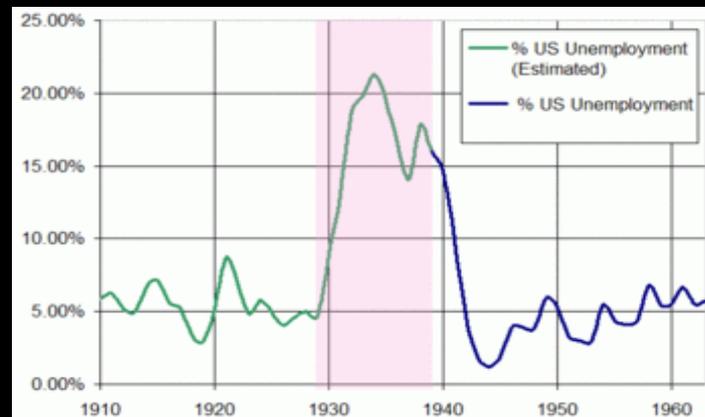

# Economic Crisis

- Britain and France both owed huge **war debts** to the United States.
- The U.S. emerges from the war as the leading economic power.
- Crushing **reparations** and conditions continued to hurt Germany's economy.

# Great Depression

- Began in the US and spread to the rest of the world.
- **Overproduction** occurred = **demand slowed**  
Factories then had to cut production and employees.
- In the Fall of 1929, due to an **increase in interest rates** many people began to sell their stocks at once leading to a financial panic.

# Great Depression

- American banks stopped making loans abroad and demanded repayment of foreign loans.
- Germany greatly suffered, unable to make reparation payments.

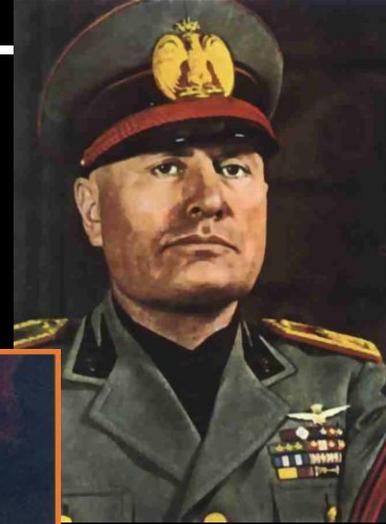

# Great Depression

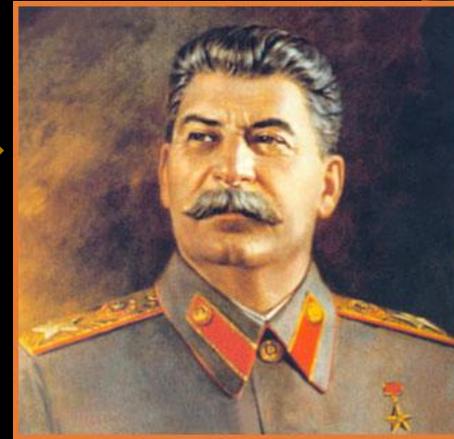

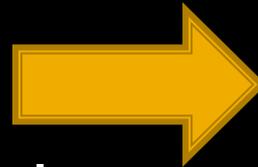

- As the Depression continued people began to **lose faith in democracy**.
- Hopelessness paved the way for **extremists** who promised radical solutions.

# Rise of Dictators

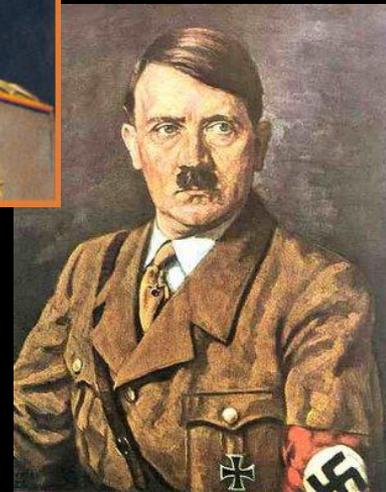

■ **Italy**- Benito Mussolini

■ **Russia**- Josef Stalin

■ **Germany**- Adolf Hitler

# Benito Mussolini

- Intense Nationalist
- **Fascist Party.**
  - Authoritarian government
  - Policies glorify the state over the individual.
- Wanted revival of Roman greatness.
- **Black Shirts**- Combat squads that rejected democracy in favor of violent action.
- Nickname = **Il Duce** ("The Leader").

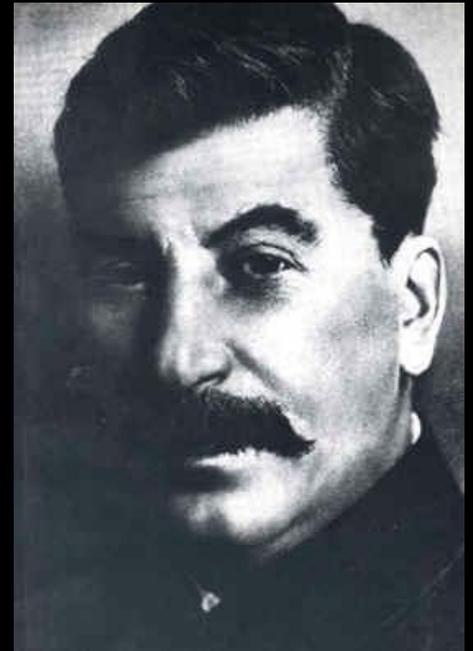

# Life Under Benito Mussolini

- Mussolini brought the economy under **state control**
- Capitalism remained
- All were expected to obey Mussolini.
- Authority was enforced by the **Black Shirts** appointed by Mussolini.
- Fascist ideas were spread through the youth = a nation of warriors.

# Josef Stalin

- Member of the **communist party**
- Turned the Soviet Union into a totalitarian state.
- Proposed "**five-year plans**" that aimed at building heavy industry, improving transportation and increasing farm output.

# Life Under Josef Stalin

- Total control of all media
- Stalin's self-image was glorified. Painting portrayed him as a kind and gentle uncle figure.
- Children were taught how to become good socialists/communists.
- The state paid families a child allowance if they were a married couple.

# Life Under Josef Stalin

- Millions died due to **collectivization**.
  - The pooling of farmland, animals and equipment for the sake of more efficient large-scale production.
- Many of Russia's most talented people were murdered during **the Purges of 1930**.
- Anyone with talent was viewed as a threat to Stalin.

# Adolf Hitler

- Hitler hated Marxism and Socialism. He was convinced that the struggles for the **survival of the fittest** were the facts of the world.
- Fought in World War I
- The shock of Germany's defeat and revolution intensified his commitment to Racial Nationalism.

# Adolf Hitler

- Became the leader of a group known as the **National Socialist German Worker's Party** (a.k.a. Nazi).
- Hitler was good at grasping the attention of an audience.
- He used uniforms, emblems and flags as a way of creating uniformity and camaraderie.

# Life Under Adolf Hitler

"Every girl  
belongs to us."

- **Hitler Youth** - created in the 1920s. It was an additional education for students as a way of continuing Nazi Germany.
- SS- Maintained security, fought alongside the army and took control of concentration camps.
- Gestapo- Hitler's secret police.
  - Could arrest anyone
  - Could send them to concentration camps without trial

# Life Under Adolf Hitler

- Hitler used **propaganda** as a way of aiming at people's emotions.
- Nazi members had full control of what they wanted the German people to see and hear.
  - Jazz music was banned.
  - Films were controlled.
  - Telling jokes about Hitler was banned.
