Using Chapter 26, Section 4: “Making the Peace” complete the chart below. The first column lists the issues facing the nations. In the second column, record how the treaties handled these issues. In the third column, record what problems may arise because of the issue and/or treaty settlement. Answers should be in your own words.

Issue	Treaty Settlement	Problems
War Debt		
Fear of German Strength		
Nationalism		
Colonies and Other Non-European Territories		
League of Nations
